

Dear Candidate

I am absolutely delighted that you have shown an interest in applying for this post at Strangford College.

We are a grant maintained, 11-18, integrated college. We are situated in the village of Carrowdore, in an attractive and purpose built campus. We are fortunate to have enthusiastic, well-behaved students in our community. It is our ambition to be one of the best schools in Northern Ireland and as such, we have a focus on quality, creative Teaching for Learning. It is our aim to tap into the wealth of potential held by all our students to help them to compete at the highest levels in our ever changing world.

This is an excellent time to join Strangford College. We are highly over-subscribed and are rapidly expanding. The College is to receive a new-build campus, with an estimated completion period of Spring 2021. In September 2015, we welcomed our first cohort of students who have opted to come to Strangford through Grammar Entry, (35% of the intake).

We take pride in ensuring colleagues receive opportunities to develop their skills and experiences and we aim to deliver high-quality professional development in a number of areas. Our staff have plenty of opportunities for leadership development. If you are successful, we will expect you to contribute to the ethos of integrated education. The Governors are committed to securing the very best for Strangford College and the Community

I look forward to hearing from you and thank you in advance for considering joining our College.

Yours faithfully

Mrs C Foster

Principal
